## U. of C. Sponsors Dance, Open House; Staters Welcomed

State students, especially veterans, are invited to attend the University of California Open House dance tonight at 8:30, stated Robert H. Benner, president of the Cal Student Veteran's Association, in a letter to the College. The dance, sponsored by the Veteran's Association, will be held in the men's gym at the Berkeley campus.

The Associated students of Cal are also planning a Homecoming celebration for the Thanksgiving weekend recess, November 23 and 24, to which Staters are welcomed. A student University Meeting will be held Nov. 23, followed that evening by a rally in the Greek theatre.

## Sup'n Chat to Be Sponsored by AWS

The Associated Women's Students' second Sup'n Chat since the war began will be held on November 28 with its theme "lower division women getting acquainted with those of the upper division."

Tickets will be 45c and will go on sale November 19. There will be entertainment following a dinner which will be served at 5:15.

Dean Mary Ward and President Mary Jane Parker announced that freshmen girls who are interested in serving on committees for entertainment, decoration or food should see Miss Parker or put a notice in the AWS post box.

Miss Parker emphasized that representatives are requested to attend AWS meetings when they receive notices.

## Thanksgiving Holiday

Classes will be dismissed for two days, Thursday and Friday, November 22 and 23, for observance of the Thanksgiving holiday, it was announced by Miss Florence Vance, registrar, today.

Cast of the coming term play, "The Late Christopher Bean" is shown preparing nightly meal in the office of Miss Carolyn Silverthorne, speech instructor, before beginning practice. Standing, left to right, Arlie Fowles, Edmund Reynolds, Bill Ogburn. Kneeling (left to right) Ilma Teter and Elaine Palles.

## Christopher Bean's Abbie Painted by Paula Moffitt

An oil painting of Abbie, the leading role in this semester's term play, "The Late Christopher Bean," is being painted by Paula Moffitt for use as a prop in the play. The plot centers about this portrait of the old family servant.

The anticipated semi-annual production, to be presented on the 19, 20 and 21 of November, has many qualified thespians. Ilma Teter, a former student of the College of the Pacific, characterizes Mrs. Haggett, the wife of the doctor. She has been in numerous Little Theatre productions as well as in summer stock companies.

## Book Drive Needs Classics, Novels

The Russian Book Drive is continuing successfully here at the College under the direction of Mr. Hugh C. Baker.

Contemporary books, as well as classics, are still in demand and it is hoped that both faculty and students will support this drive in the week to come. The college has already contributed two boxes of books and is endeavoring to fill the empty box in College Hall to overflowing.

## Victory Loan Drive Under Full Steam; Band Rally to Be Held Friday in Gym

"The present treasury balance is large but enormous obligations incurred in the achievement of victory, including those for material and munitions already delivered and used, will drain this balance quickly and additional funds will be needed early in December. Government expenditures are being drastically reduced and this will continue vigorously. The aftermath of war, however, carries grave responsibilities that must be met. A substantial army and navy must be maintained until order is restored throughout the world. The cost of contract settlements, bringing our forces home, their mustering out pay, hospitalization, care and rehabilitation will be great and will require large sums for which we must plan now."

### Eleven Billion Dollar Goal

With this statement, Secretary of the Treasury Vinson designated the period October 29 to December 8 to be that of a Victory Loan drive. The Treasury Department has set a national quota of eleven billion dollars. Though this will be the last of the big public drives, systematic saving through payroll deduction will be continued indefinitely.

### F.D.R. Honored

A special Series E bond of \$200.00 denomination, to be issued at \$150.00 in memory of the late President Roosevelt, will be available for the first time at the start of the Victory Loan drive.

On Friday, November 16, a rally will be held at the women's gymnasium, combining the opening of the basketball season and keynoting the Victory Loan drive. Alpha Omega will set up a booth in front of the Co-op for the express purpose of selling bonds. No stamps will be sold at this booth.

### Coach Boyle in Charge

Dick Boyle, head football coach will direct the sales. Anyone desiring further information on the drive, bonds, or relative material,

contact Mr. Boyle or visit the physical education department where pamphlets are available.

"What will you pay for peace? You have helped to pay for the most expensive war in history—now buy yourself freedom for tomorrow while you pay for peace today."

The music federation has planned to have a skating party next week on Friday, the sixteenth, at eight o'clock. The party will be in the form of a celebration at the conclusion of midterms. According to Rita O'Neill, president of the Music Federation, all those who attend the party will meet in front of Winterland at eight o'clock.

## President Leonard Names State Education Committee

### Group To Make Close Study of Requirements Curricula

At a recent faculty meeting President J. Paul Leonard announced appointment of the General Education Committee, whose purpose is to make a careful study of the basic understandings, skills, attitudes, and appreciations needed for the highest type of living.

The committee will consider the curriculum and the methods needed for the development of such ideals, said Dean Walter Homan, chairman of the committee, which is formulating plans for a correlated educational program for all students of the college.

## Class Officers To Hold Picnic

A picnic is being planned by the Class Officers' Association, to be held at Sigmund Stern Grove November 22, Ed Osorio, COA president announced at Wednesday's meeting. The tentative plans call for the picnic to run from 4 o'clock until 11 o'clock and to have music for dancing.

Plans were also being considered for the senior ball, with May 26 set as a tentative date. It will probably be held in the Gold Room of the Fairmount Hotel.

Osorio expressed pleasure at 13 out of 15 members being present Wednesday. He announced that a vice-president, secretary and treasurer will be elected at next Tuesday's meeting.

## Decrepit Shacks House Speech and Music Depts.

### SEATING CAPACITY NIL! LIGHTING AND HEATING FACILITIES INADEQUATE

The speech department appears to be the neglected child of San Francisco State College. It is located in A12, and it consists of College Theatre, which is in all probability the end of a line of cracker boxes, and one small business office and kitchen.

As compared to College Theatres in other state colleges and universities, the one on this campus is most insignificant in size, in upkeep, and in equipment.

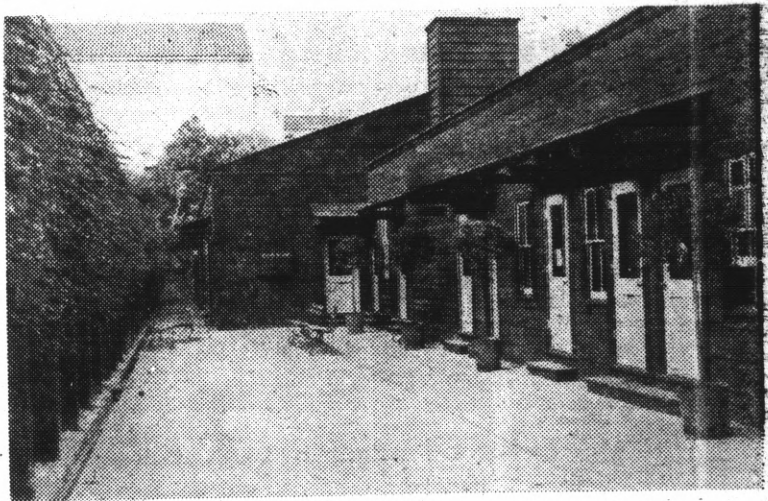

The seating capacity of the College Theatre is 80. Other colleges have a seating capacity exceeding 500. Not only is this theatre small, but the equipment is poor. There are neither proper lighting nor sufficient heating facilities.

One of the current problems concerning heating College The-

### ACCOUSTICS IMPERFECT, FIVE SMALL CLASSROOMS DEPT. NEEDS MORE ROOM

It is difficult to comprehend the amazing physical destitution under which the music department has been forced to labor for so many years. One cannot imagine a subject as aesthetical as music, and a department the size of State's functioning in the five small classrooms, and the eight acoustically imperfect practice rooms that constitute the physical structure of San Francisco State's music department. Half of the rooms are on the third floor of a church a block away, and the other half are in a row of decrepit shacks that some punster christened the "Music Alley."

Anyone who has studied music at State is familiar with the orchestra room, which is so small that not a few French horn players have complained of being ac-

identally hit on the head by the tympani player's sticks. Acoustically the room resembles Memorial Stadium, and on rainy days the violas have the dubious honor of sitting in a pool of rainwater. One has only to stand outside of the supposedly sound-proof practice rooms to get a rather hideous conglomeration of Bach, Debussy, and Gershwin collectively issuing forth.

The head of the department has his office directly below the upper field. He had undoubtedly

(Continued on page 4)

## I. R. C. OPENS LOUNGE

### Student Lounge Is to Serve As Extra-Curricular Activity

A worthy endeavor has been undertaken by the International Relations Club in opening the Student Lounge for recreational activities. The initial step taken by the organization will have a tendency to emphasize social as well as academic life on the campus.

Action to provide State with a common meeting place for students is a move in the right direction. Many colleges maintain a

place for extra-curricular activities. The Student Lounge is capable of serving as one until we move to our new campus site at Lake Merced.

Any steps taken by a campus group to further student activities and school spirit deserves our admiration and support. Other organizations should follow the example set by the IRC and begin sponsoring the Lounge on one day a week.

Students would then become acquainted with the various groups and its members and also have a place to relax between classes. Such a move would greatly broaden the outlook of the ordinary student by offering him a place to meet those whom he does not otherwise come in contact.

## San Francisco Symphony Forum Opened to Students

San Francisco State College students will take part in the discussion at the San Francisco Symphony Forum Saturday evening, November 17 at 8 in the main gallery of the California School of Fine Arts, Chestnut and Jones Streets.

Pierre Monteux will discuss some of the works that he plans to present during the symphony season. This will be the first post-war general Forum discussion, and all students who are interested are invited to attend. State has recently been added to the group of bay-area colleges that take part in the Forum.

Pianist Estelle Caen will provide musical illustrations and four first-chairmen from the symphony ranks will join in the discussion. These include Julius Haug, personal manager and principal second violinist; Merrill Remington, first oboe; Charise Bubb, Jr., formerly director of band activities and an instructor of mathematics at Stanford; and Walter Larew, timpani. Guests will be introduced by Mrs. Lenora Wood Armsby, president of the Musical Association.

Admission and refreshments are free, and reservations must be made by those planning to attend. Reservation cards may be obtained in the Music Federation office.

## Orchestra Performs For F. B. Students

The college orchestra will present a musical program for the children of the intermediate and upper grades of Frederic Burk at 12:30 p. m. today under the direction of Dr. William Knuth.

The selections include ballet music from *Rosamunde* and a suite of three Nell Gwynn dances. The purpose of the program is to familiarize the children with the various musical instruments, and selections will include instrumental solos.

Members of the orchestra will be seated in the middle of the room with seats surrounding them, enabling students to view the instruments at close range. This program is one of a series to be given periodically as a part of the purpose of the program is of musical instruction at Frederic Burk.

## 'I think that I shall never see ...

By RENEE LABOURE

I think that I shall never see  
A girl refuse a meal that's free,  
A girl whose hungry eyes aren't fixed  
Upon a drink that's being mixed,  
A girl who doesn't even care  
To kiss and let "him" pay her fare.  
Girls are loved by folks like me,  
'Cause who at State would kiss a tree?  
I think that I shall never see  
A fellow serenading me,  
A boy who doesn't flirt and tease,  
A boy who always tries to please,  
A boy who doesn't always swear  
Or mess your pretty curly hair,  
A boy who keeps his shirt tails in,  
A boy who wears a friendly grin.

## Editorial EXECUTIVE BOARD SHOULD GUIDE US

This is intended not as a derogatory criticism, but is rather proffered in the hope that it will act as a bit of constructive advice. Our student body officers, together with the directors-at-large, comprise the Board of Directors of San Francisco State College. This board is set up, not as an omnipotent body to run the school, but as a body whose express purpose is representing and functioning for the advantage of the student body. Every individual who has the honor of serving on the executive board should regard his position as a solemn duty to which he has pledged himself by accepting the office. However, the list of board absentees indicates a lack of realization of this responsibility. The board has yet to hold a meeting with every member present. Perhaps under the pressure of college affairs perfect attendance is impossible; nevertheless each member should not only make every effort to attend the meetings, but should also take an active interest in the proceedings, rather than merely sit in a state of lethargy.

We of the student body have placed our faith in the hands of this board. By its action we will gain or suffer. The power of control which the board enjoys is of far-reaching significance. Virtually every student activity comes under its direct supervision. We urge the board of directors to use this power in a manner that will produce the finest results for the student body.—L. R.

## LETTER TO THE EDITOR

### RACIAL DISCRIMINATION TO THE EDITOR

Through Dean Ward's office, notices of positions available to students here have been posted on the bulletin board in College Hall. This is an excellent service and has facilitated the financial adjustment of many students. However, for the last few days there has been posted a notice reading: "Church at Steiner and Pierce wishes young woman, white race ..."

We feel that racial discrimination practiced by employers should not be encouraged and advertised by the administration of this college. We feel further that such an undemocratic practice should be wholeheartedly condemned and fought by every member of the student body.

L. M.

## Returning Veteran Looks at State

By SCOTT HOPE

It is rather difficult to describe the sensation one feels upon returning to a school, or any place for that matter, that had at one time been prominent in his life. There is an attempt, perhaps unconscious, to associate what he is seeing and feeling with what he had seen and felt before. What does one returning to State see now? Feel now?

### SAME CROWDS

Well, he sees the same impervious crowds at the back of College Hall. The passing parade. As in Times Square, someone you know or are looking for will pass, and he will stop and talk. (I wonder how many thousands of cigarettes have been smoked there?) Around in front, at the Buchanan entrance to College Hall, the faculty members still gather and smoke their cigarettes and talk. And someone they know will pass, and stop and talk.

Up at Anderson Hall, students and instructors still lower their voices as they enter, as though the scientists, whose knowledge is stored and dispensed there, demand that token of respect. They still look at the murals, although they have seen them a hundred times. On the lawn, back of Anderson Hall, they still gather in little groups and study, or eat their lunches, or just talk.

### CO-OP CHATTER

In the Co-op there is still that buzz of conversation, pierced every now and then by a peal of laughter, the clash of chinaware, or the jingle of the cash register. Yesterday's football game and tomorrow's final in sociology are still hashed over in the Co-op. Next door in the library, everyone still looks up when a book is dropped.

## Alumni Notes

Increasing the population and giving the feminine members of the college something to talk about are many former Staters now veterans of World War II.

Back at the college now attending classes is Walter Orchard, Army Air Corps, who left State in March 1943 and has been serving Uncle Sam in the China-Burma theater. Walter was a member of the Music Federation.

Staff Sgt. Heinz Graalfs of the Army's 82nd Airborne Division has been back for two weeks and brings with him two presidential citations and the purple heart. Sgt. Graalfs served in Belgium and took part in the Normandy invasion.

Playing the part of Rosen in this semester's term play is John Morange, recently returned from Army service.

Visiting the campus this week was Lt. (j.g.) Layton Edelman who has been in the South Pacific with Uncle Sam's Navy. Layton was a music major here at State and past treasurer of the student body.

Also back on the campus this week was ex-Commander Runar Stone, who served with the Navy in the South Pacific. While at State he took an active part in athletics and was a Block "S" member. Runar is now vacationing, celebrating his recent discharge. His wife Eleanor is registered here at the College.

All's well

# SPORT DOPE By SCOTT HOPE

Dean David J. Cox has stepped down as mentor of the SF State track team. The reason . . . the Dean's duties as head of the physical education department and as dean of men are such that it is impossible for him to continue to direct the fortunes of the thinclads. Ray Kaufman has taken over as the track coach.

Speaking of track, that season is officially open. Men with track or field aspirations are asked to contact Coach Kaufman, either at his office or in the training quarters. Among the men who are working out, or who have indicated to Kaufman that they would be out are: Norm Crane, John Grantham, John Byrne, Ty Stanley, Hal Fox, Ralph Azavedo, Art Greenbaum, George Albrecht, Dave Du Bois, Dick Bunker, Leonard Canavan, Walt Suggs, and Dick Wind. Emil Clifton, colored speedster of yesteryear and more recently a captain in the Air Forces, has been discharged from the service and may return to State.

State will field a track team in intercollegiate competition. Let's turn out! Let's make it a squad worthy of intercollegiate competition.

## COMMENT OF THE WEEK

The classic remark of this, or perhaps any other, gridiron season was penned by Ed Schoenfeld of the Oakland Tribune following the St. Mary's-Southern Cal. game last Saturday. Said Mr. Schoenfeld, "The only Trojan standout was their coach, Jeff Cravath. He stood out in front of the bench."

## KNOW YOUR TEAM

This is the first of a series of sketches, of the thumbnail variety, introducing the members of this year's basketball squad.

DON ELLIS: 5' 9" . . . slim build . . . brunette . . . grad of George Washington High . . . on 2nd string all-city basketball junior year at G. W. . . played about 6 games with '43 varsity here . . . 2 years in service . . . served overseas in Europe and Trinidad . . . probably will play forward this year.

Flash!! Word has just been received that Jim McGilley, one of the leading candidates for a forward spot on this year's casaba quintet, has been called to the colors. Our loss is Uncle Sam's gain . . . Good luck, Jim.

## GRIDIRON PROGNOSTICATIONS:

Total picked Right Wrong Tied Pct.  
Last week's record . . . . . 15 11 2 2 .800

**TOMORROW:** Arkansas over Rice; Army will be too strong for Notre Dame; Texas to outfight Baylor, but watch out!; Yale over Brown; USC to hit winning trail over California; Penn to stop Columbia's winning streak; Cornell to defeat Colgate; Princeton to win an Ivy League tussle with Dartmouth; Duke over N. Car. St. in a romp; Tulane to upset Georgia Tech; Illinois over Iowa; Indiana over Minnesota; LSU, a hot ball club, to ramble over once-beaten Mississippi State; Navy over Michigan, they gotta snap out of it sometime; Tennessee over Mississippi in the Ole South; Northwestern over Wisconsin; Ohio State to keep it up over Pitt and Clark Shaughnessy; Oklahoma A & M over Tulsa; WSC over Oregon; Washington over OSC; Penn State to stop Temple's winning streak; Texas A & M to down SMU; that's all he wrote!

## Gridiron Mentor, Dick Boyle, Returns to State

Dick Boyle, sans his Lieutenant Commander's uniform, returned to San Francisco State last Monday. "The Blue Ghost of Moraga" has resumed his position as head football coach and member of the physical education department. At the present time he is assisting Dan Farmer with the basketball team and in the near future will take over the Junior Varsity five. In addition,

Dick is aiding Dean Cox with the swimming classes and generally filling in other P. E. courses.

"The Ghost" gained gridiron fame as a member of the St. Mary's elevens of 1928-29-30. Many critics consider the Gael backfield, with Boyle at quarter, of 1930, the greatest ever to roam the gridiron under the Gael colors. In 1929-30 the Gator mentor was named on several all-Americans. Perhaps his most outstanding individual achievement came in the St. Mary's-Fordham game of 1930. The Gaels won 20-12, with Dick Boyle's generalship leading to all three touch downs. His last collegiate appearance was in the East-West game of 1930, where he quarterbacked the West to victory. In May 1931 he graduated from St. Mary's.

The following two years Coach Boyle matriculated at the University of California and here at SF State, working for, and acquiring, a special P. E. credential and a general junior high school credential. He completed his education at the University of Southern California during the summer sessions of 1934-35-36, during which time he earned his master's and general secondary credentials.

In 1938, following several years as athletic director of Orlands High School, he came to State as a P. E. instructor. The following year, 1939, he was made head football coach.

In the spring of 1942 Dick marched away to war. His first assignment took him to Long Beach Naval Air Station, where he was in charge of the daily routines of a cadet regiment. In this capacity he supervised their military and ground training, as well as their physical education training. In the same capacity he was transferred to Livermore. It was here, in March '43, that he was promoted to Lt. Commander. September 1944 saw him moving again, this time to the Pre-Flight School at St. Mary's.

His last transfer was to Daytona Beach, Florida, where he assumed the positions of station welfare officer, recreation and physical education director. The rest is old news—his discharge and subsequent return to State.

Dick commented, when asked what he thought about the whole thing, "Well, it is good to be back. Also seeing some of the old faces is a fine thing, but, when one thinks of some of those fellows who will not come back . . ."

# Casaba Squad in Shape For Tilt with Cal Medics

With one practice game behind them, the Gator casaba squad swings into the final week of preparation for the season opener against the University of California Medical School on November 16. This contest will be played in the women's gym at 8:30 and will be preceded by a game between the junior varsities of the two schools at 6:30.

Although Coach Dan Farmer has not named the starting line-up for the opener, it is probable that this line-up will come from among the following men: Mel Martin, Grove Mohr, and Don Ellis at forward; Rufus Graves and Norb Ferreira at center; and, Jack Byrne, Hal Fox, and Jack Carpenter at guard.

The appearances of Ferreira and Carpenter are still problematical although both have indicated that they would suit up next week.

## McGilley Lost

Jim McGilley, who had been counted on for much service at one of the forward spots, has received the notice ordering him to report to his reception station. Jim has already left school, according to credited rumors.

On Wednesday the Gators met the Angels from U.S.S. Rescue AH 18 and scored an easy 56-38 victory. Forward Mel Martin, former all-city star at Mission, took scoring honors with 19 points, with Grove Mohr second with 10. Dan Farmer emphasized the point

Hal Fox  
Outstanding Varsity Guard

that this was only a scrimmage and was not to be considered a practice game. With this in mind, Farmer substituted freely throughout the session, using virtually everyone on the bench. These frequent substitutions kept

the score much lower than it would have been.

During the weeks before the season opens, the Gators will work to perfect their fast break and to improve their passing, which, at times, was ragged during the scrimmage with the "Angels."

Although he said, "No Comment" following the scrimmage, Farmer seemed to be pleased with the results. He emphasized, again, that this was just a scrimmage and that it was impossible to judge the calibre of the squad. "Also," he said, "the competition was not as strong as it might have been."

As of Wednesday night no further additions had been made to the schedule that was printed last week, other than the game with California Medical School. However, Mr. Farmer announced that the schedule would be forthcoming in the near future.

## Coach Kaufman Plans Intramural Basketball

Notice has been posted announcing the start of intramural basketball, which will begin on November 19. According to Coach Ray Kaufman, intramural director, entries must be in by November 12. Any class, club, or campus group can enter one or more teams. Games will be played three times a week, starting at 12:15 p. m.

## Albrecht, Azavedo Lead Bowlers to Easy Victory

Playing "under wraps" most of the game and opening up on their vaunted attack only in the opening and closing stages, Hal Fox's Rose Bowlers passed their way to a 12 to 0 victory over the Tennis Class Wednesday, and preserved their perfect record of untied, undefeated, unscored upon, and, as yet, uninvited to the Rose Bowl.

However, not being a member of the over-rated Pacific Coast Conference, Fox's crew is in the same plight as the Gaels of St. Mary's, and they stand little chance of going to the Pasadena classic unless they buy tickets and watch from the grandstand.

## QUICK TOUCH-DOWN

On the second scrimmage play of the game, George Albrecht cut loose with a 50 yard pass to Ralph Azavedo for six quick points. The second T.D. came in the closing minutes on a bullet pass from Albrecht to Fox.

The Rose Bowlers threatened late in the second quarter when a 35 yard pass from Azavedo to Bill Kennerley moved them to the two, but the half ended before they could run another play.

## CRUCIALS NEXT WEEK

If the Boxers win over All-Americans today, they will move into a tie for second place. The Rose Bowlers meet the Boxers Thursday and the Block "S" meets the Tennis Class next Friday in a pair of crucial games which could play havoc with the standings.

## Intramural Standings as of Nov. 8:

Team	W	L	PS	PA
Rose Bowlers	4	0	60	00
Block "S"	3	1	34	13
Boxers	2	1	33	22
Tennis Class	2	2	45	32
All-Americans	1	3	19	33
Jr. Gators	0	5	13	104

## Block "S" Sport Dance in Gym Next Saturday

With promises from our weatherman for clear skies, plans are quickly shaping into reality for the annual Block S sport dance to be held next Saturday night in the women's gym.

According to Ed Murray, president of the Block S, decorations to accentuate the theme of returning servicemen will be the surprise attraction of the evening. Music will be ably handled by the smooth rhythms of Dick Law. And as an added attraction our local astronomer, John Nazar, has promised a full harvest moon for the occasion.

Tickets will go on sale next week. Price of entrance will be 50 cents for each person and 75 cents for students not having a student card.

## INDIVIDUAL SCORINGS:

Suggs, Rose Bowlers	20
McGilley, Tennis	20
Ferreira, Tennis	20
Fox, Rose Bowlers	18
Mohr, Block S	14
Martin, Boxers	13
Angin, Tennis	13
Azavedo, Rose Bowlers	12
Kennerley, Rose Bowlers	9
Albrecht, Rose Bowlers	7
Roelling, Block S	7
McCann, All-Americans	7
Kennedy, Jr. Gators	7

## W. A. A. By Etta Bucholtz

Tuesday the junior hockey team held the senior-sophomores to a 2-2 tie, playing the last half in a steady downpour of rain. At the end of the first half the juniors were holding a two point lead. This game will be played off at a later date.

Undergraduate students will be represented at the November 12 meeting of the Physical Education Alumnae Association. Betty Blue will represent the W. A. A. and Charlotte Plumb, Phi Epsilon Gamma.

Two changes have been made on the W. A. A. recreation program. Field hockey will end in the 11th week instead of the 19th.

The badminton program has been cancelled so that the men can have the gym on Wednesday and Thursday noons for intramural basketball from the 9th to the 16th week.

Murray, Block S	7
Saunders, Rose Bowlers	6
Scharetg, Block S	6
Carson, All-Americans	6
Solomon, Jr. Gators	6

SHEEVE TREAT & FACET

## ENGLISH DEPARTMENT ADDS MAJORS, MINORS FOR NEW CREDENTIAL

In the reorganization of the college curriculum to include work for the general secondary credential, now being formulated by a committee headed by Dr. R. Will Burnett, the English department proposes two majors and five minors in English, journalism, and speech.

The straight English major would consist of 9 units of work in the lower division, 15 units in the upper division, and 6 units in the graduate division. The combination major would have a basic core of work in English studies, running from the lower division to the graduate division, but would also include work in the allied fields of journalism and speech. The straight major would total 30 units, the combination major, 36.

The five minors, of 12 units each, include a straight English minor, a journalism minor, and three speech minors with emphasis on dramatics, public speaking, and speech correction. Mrs. Blanche Ellsworth is the English department representative on the general assembly credential committee.

## COLLEGE THEATRE

(Continued from page 1)

this has been ignored. College Theatre has a few old antiques which are used semi-annually as furniture in its term play. These have been literally kicked around for so long that it does become apparent that their sole purpose in life is to some day become a member of a bonfire.

There aren't sufficient cabinets for props—in fact the college does not supply props. The students are expected to supply them. The instructor's office must serve as dressing room, make-up room, prop room as well as scenery store room.

## CO-OP WILL NOT EXTEND ITS HOURS OF SERVICE

The Co-op will not extend its hours of service this semester, according to Manager Bob Lambertson. Although help is adequate at the present time, the Co-op will continue to open at 8 a. m. and close at 3:30 p. m.

## GOLDEN GATER

Published each Friday during the college year by the Associated Students of San Francisco State College. Member of the Associated Collegiate Press. Represented for national advertising by National Advertising Service, Inc. 420 Madison Ave., New York City, N. Y. Entered at San Francisco Postoffice as second-class matter.

## BASKETBALL-VICTORY BOND RALLY SCHEDULED

A combined Victory Bond and Basketball Pep rally will be presented next Friday, November 16 at noon in the women's gym. Coach Dick Boyle, who has just returned to State from three years' duty in the Navy, and the 1945 basketball varsity will be introduced to the students then.

Coach Boyle is expected to give a victory bond sales talk. A dance band, headed by Ed Doty, Activities Commissioner, will play for a half hour of informal dancing after the rally. Further plans for the program are tentative and cannot be announced as yet, according to Mr. Doty.

Alpho Omega, social sorority, is handling the Victory Bond drive at State. In addition to the rally they will operate a bond booth in College hall.

## Ski Course Offered Starting November 21

Courses in skiing will be offered by the Women's Physical Education department this winter for the first time in four years.

PE 16A, Fundamentals of Skiing, starting November 21, will meet each Wednesday night in the women's gym from 7 o'clock until 9:30. In addition five Saturday morning meetings of two hours each will be held. Activities will include fundamentals of skiing, demonstrations, lectures, movies, practice in sand dunes, conditioning exercises, and safety education.

The purpose of 16A is to prepare and condition students for skiing in snow areas. It is a prerequisite to PE 16B, an advanced course. A student rental charge will be made for skis and boots. Students enrolled in the class will receive one-half unit of credit to be added to their fall program.

PE 16B, skiing in the snow areas will be offered from February 3 to February 8 if enough students qualify in 16A, and if accommodations can be obtained in the Sierras. Prerequisites are successful completion of 16A and the approval and permission of the Women's P. E. department. The class will consist of daily six hour sessions. One-half unit of credit will also be given for this course. Charges for equipment and lodging will be announced later.

The instruction and planned activity will be under the direction of Miss Doris Holtz of the P. E. department and Mr. William Klein, noted skier.

Students interested in either 16A or 16B should sign up with Mrs. Sparrowe, department secretary, in the Women's P. E. office. Office hours are daily between 9:30 and 1:30. P. E. is limited to twenty-five students.

## What's Doing In The Clubs

### Pan American League

Maria Vegard, former State student, now a nurse in Ecuador, spoke to members of the Pan American League at noon last Wednesday in the student lounge.

Basing her talk on the "human and personal life in Ecuador," Miss Vegard emphasized the similarities between the two Americas.

An all-student discussion on "Is the Good Neighbor Policy Working?" will be the feature of next Wednesday's meeting. The group will meet at noon in the lounge and everyone interested is urged to come and express his ideas, Margie Evans, P. A. League president, announced.

### ALPHA OMEGA

New pledges of the Alpha Omegas are Helen Hansen, Bernice Lindsey and Lillian Starro. A social was held for them recently, during which members also discussed plans for the annual Christmas box for wounded soldiers. Officers for the semester are Jean Cantwell, president; Barbara Krase, vice president; Mary Corwin, recording secretary; Peggy O'Haire, corresponding secretary; and Florence Lindsey, historian.

### DELTA SIGMA

Delta Sigma, national debating fraternity, elected officers at its first meeting of the term last Wednesday noon.

Leading the group as president will be Bob Lamberson. Other officers include vice president Vince O'Leary, secretary-treasurer Shirley Hurwitz, and debate manager Hy Bik.

Delta Sigma sponsors the annual High School debate which is held at State and led by members of the organization.

"This fall term, we are going to attempt to lay the groundwork for the many activities we hope to hold in the spring," stated Lamberson, "and all student body members interested in joining the club will be welcome."

The next general meeting will be Sunday, December 2. No meeting place has as yet been designated.

### P. T. A.

Celebrating its 15th birthday, the Parent-Faculty Club met Wednesday in the activities room.

Guest speaker was Dr. J. Paul Leonard, who was followed by soprano soloist Anita Gibbons from the music Department. Miss Gibbons sang two selections, "The Heart That's Free," and "Con Bien Partir," from "The Daughter of the Regiment."

Following the business meeting and entertainment, refreshments were served. President of the group is Mrs. Oscar A. Anderson.

### STUDENT AGATHEANS

Reverend Paul Peterson, director of the San Francisco Youth for Christ program, will speak at the meeting of the Student Agatheans next Wednesday noon, November 14, at the First Baptist Church.

Students are invited to attend a "pot-luck" picnic next Friday evening, November 16, at 6:00 p.m. at Sigmund Stern Grove.

Today noon Mr. R. H. Pierson, deacon of the Hamilton Square Baptist Church, will continue his series of lectures concerning Bible study at the First Baptist Church, corner of Octavia and Waller Sts.

## International Control of Atom Bomb Subject of IRC

International control of the atomic bomb will be the topic for discussion at student round tables which will begin November 23. Discussions will be held in hourly sessions on Tuesday and Wednesday.

Students wishing to participate as leaders of the round table should apply at the International Relations Club office in Room 205, by November 16.

On November 9, members of IRC will meet in the Student Lounge to plan for further discussions with Phi Eta Chi on the subject "Is War Inevitable?" In order to simplify the talks the IRC has decided to modify the topic to the educational phases of peaceful world affairs.

As a basis for the opening discussion to take place November 12 and 19, between members of the IRC and Phi Eta Chi, students will use the recent speech, "Minimum Essentials of Tomorrow," presented by Dr. J. Paul Leonard October 17 to the assembly.

By action of the Board of Directors, November 1, 1945, the following organizations are suspended:

Alpha Chi Epsilon  
Alpha Mu Gamma  
Alpha Omega  
Alpha Pi Nu  
Alpha Psi Omega  
Associated Men Students  
California Student Teachers Association  
College Theater  
Delta Sigma Nu  
Free World Club  
Franciscan  
Gamma Sigma Pi  
Newman Club  
Nu Sigma Omega  
Freshman Class

This suspension is the result of failure to comply with the Student Body Treasurer's inventory request, and implies denial of recognition in school publications, denial of the right to meet on campus, and denial of the right to hold any authorized activity on campus until such time as the Treasurer receives a report from the organization and clears its names from the suspended list.

### Mrs. MacDermott Chooses

#### Domestic Life to Career

Mrs. Beatrice MacDermott, senior clerk in the business office for the past eight years, has resigned in order to make a home for her recently adopted week-old daughter.

Both Mrs. MacDermott and her husband, Aubrey MacDermott, who is connected with the educational department at San Quentin prison, are alumni of San Francisco State.

Her efficient work and capable manner will be missed by the entire office force, according to Mr. Leo C. Nee, comptroller.

### NU SIGMA OMEGA

Nu Sigma Omega, State's social science fraternity, will greet new members at a tea to be held next Wednesday from 12:00 to 1:00 in the Activities Room. Dr. Hugh C. Baker will present a program of unusual American recordings.

### SIGMA PHI SIGMA

Sigma Phi Sigma, the lower division honor society, has scheduled a tea to initiate new members and to install officers on Monday, 3:30 to 5, in the Activities Room.

## PTA to Present Chinese Program

The contribution of the Chinese people to our civilization will be stressed at a Parent-Teacher meeting to be held at Frederic Burk on Thursday, November 15, from 2 to 3 o'clock.

The program is being arranged by the Chinese mothers of Frederic Burk under the direction of Mrs. David Chang. Songs, games and dances by Chinese children will be included.

A social hour from 1 to 2 p. m., when tea and cookies will be served by the Chinese mothers, will precede the program. Included in the program will be an address dealing with "The Contribution of the Chinese in San Francisco to Our Civilization" to be given by Miss Rose Chew of the International Institute. Mrs. James Loo, vice-president of the Commodore Stockton P. T. A., who has spent much time in China will speak on the "Contribution of Women in China to Civilization."

This program is one in a series presented to promote understanding in inter-cultural and inter-racial relationships.

## ACCOUSTICS IMPERFECT

(Continued from page 1)

gone over many of his scores to the accompaniment of the football team's signals. When the department does succeed in working up a program, they traipse down to a grammar school auditorium, seat half the orchestra in the pit and the other half on the stage, and present a concert for the whole two hundred and fifty people that have managed to squeeze themselves into the room.

When the department moves out to the new campus they will at long last achieve the magnificent building that they deserve.
